How to use Script-easy

The Script-easy service is a convenient and confidential way to obtain all your prescription products (not medicines) each month. Script-easy is free to you and you can be assured of a fast, reliable response to your monthly prescriptions.

Step 1

REGISTRATION

Call the Freephone number to register with Script-easy. Your Script-easy adviser will ask for your GP's name and address and details of all your prescription products.

Step 2

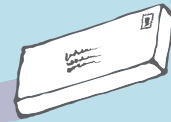

YOUR PRESCRIPTION

Your Script-easy adviser will liaise with your GP's surgery to obtain your prescription.

Step 3

HOME DELIVERY

Script-easy will deliver your prescription products promptly to your home in discreet packaging. Script-easy will telephone you at a convenient time to arrange for a repeat prescription on your behalf.

If you have any queries or want to speak to a Script-easy adviser please feel free to give us a call at any time.

HOW TO ARRANGE FOR SUPPLIES OF CATHETERS

This 'Home Pack' was given to you by your nurse to provide you with an initial supply of HydroSil® male catheters.

To obtain further supplies contact:

Script-*easy*®

Your Script-easy adviser will ask you for the size of catheter your nurse has recommended.

Please have the name and address of your GP available when you ring.
