

Script-easy is a free specialist delivery service for prescription products. Our aim is to provide a cost effective service whilst maximizing the quality of care for patients living in their own homes or home environment. The service includes monitoring usage to ensure that cost effective prescribing is maintained.

The benefits gained by ordering through Script-easy include:

- Direct delivery of products to the home
- Discretion
- No need to collect the prescription

For orders or referral, please call Sharon or her team on:

FREEPHONE 0800 0121 699

FAX 01903 875085

You will need:

- Patient name, address, postcode, telephone number and date of birth
- GP name, address, postcode and telephone number
