

CLEAR ADVANTAGE™ and New CLEAR ADVANTAGE™ with Aloe

Self-Adhesive Silicone Sheaths

- **First Choice Sheath in the UK**
Clear Advantage is the market leader in male continence care.
- **Four sheath styles in a full range of sizes**
Choose from the 'original' Clear Advantage and now three styles of Clear Advantage with Aloe, for the best individual solution.
- **Silicone Construction**
Latex-free, clear silicone membrane allows gentle transpiration to keep the skin in good condition & permits skin monitoring without removal.
- **Proven Adhesive System**
Secure, gentle adhesive brings confidence and peace of mind.

Clear Advantage sheaths provide both carer and user with a reliable and discreet means of efficiently managing urine drainage - and now the range includes Clear Advantage with Aloe in a softer silicone and in three styles to provide greater choice. Now more than ever the Clear Advantage range can offer an individual solution to suit each case.

The 'Original' Clear Advantage sheaths remain unchanged. All Clear Advantage sheaths are easy to apply and come with a built-in adhesive system that eliminates the need for additional tapes or straps. Removal is easy too, the gentle adhesive unrolls from the penis without leaving a residue.

Clear Advantage™ (original) - Standard

Self-adhesive, clear silicone sheath that is breathable and odourless. Our most popular sheath.
