

NURSE

How to use Script-easy

Step 1

PATIENT REGISTRATION

New patients can be registered by phone, fax, or post. Simply provide the following information:

- The patient's name and address.
- The GP's name and address.
- Details of all products required.

Please give the product name, size and quantity.

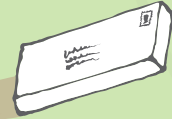

Step 2

THE SCRIPT-EASY SERVICE

Script-easy will liaise with the patient and the patient's GP to obtain the prescription.

Step 3

HOME DELIVERY

Script-easy will deliver the prescription products promptly to the patient's home by confidential carrier, in discreet packaging. Script-easy will telephone each month to arrange for a repeat prescription. Script-easy will monitor product usage and recommend only those products that are needed each month.

PATIENT

How to use Script-easy

The Script-easy service is a convenient and confidential way to obtain all your prescription products (not medicines) each month. Script-easy is free to you and you can be assured of a fast, reliable response to your monthly prescriptions.

Step 1

REGISTRATION

Your nurse will register you with the Script-easy service and provide us with details of all your product needs.

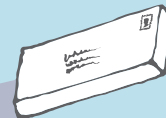

Step 2

YOUR PRESCRIPTION

The nurse will tell your doctor that you will be using Script-easy and we will liaise with the surgery to obtain your prescription.

Step 3

HOME DELIVERY

Script-easy will deliver your prescription products promptly to your home in discreet packaging. Script-easy will telephone you at a convenient time to arrange for a repeat prescription on your behalf.

If you have any queries or want to speak to a Script-easy adviser please feel free to give us a call at any time.
